

ABOUT

As a dedicated design student in the New Media Arts Interface Design program at Kapi'olani Community College, I am passionate about further developing my foundation in design principles, including branding, visual communication and web design. I'm excited to bring my skills and creativity into a professional environment.

- Photo Editing

EXPERIENCE

Eternal Eyes | *Design Internship* 2024–2025

- Maintained open communication with clients by actively listening to their needs to provide client-specific designs.
- Designed logos, patterns and utilized mock-ups to enhance brand identity.
- Executed layout design projects and provided press-ready files for print production.

KCC Board of Student Publications | *Designer* 2023–2025

- Developed unified themes and concepts for two separate student publications.
- Balanced the journal's visual hierarchy through strategic placement of elements (i.e. typography & imagery).
- Conceptualized and executed a unique cover design from initial concept development to final delivery.

Graphic Designer | *Freelance* 2020–2023

- Collaborated with clients to create logo designs that accurately reflect their vision and brand identity.
- Adapted to client needs, delivering creative solutions with clear communication.
- Applied expertise in typography, color theory, and composition to craft impactful, audience-focused logos.

4ocean | *Marine Debris Technician* 2022–2023

- Worked closely with local NGO's and organizations to facilitate beach cleanups.
- Educated the community about the impact of plastic pollution and working together to come up with strategies to mitigate our individual footprint.
- Conducted educational experiences to get students engaged.
- Demonstrated creative problem solving and collaborated in a team environment to navigate clean up operations.
